Formation of Student Clubs

With the objective of providing holistic, experiential and student-centered education, the college formed various academic and co-curricular clubs during the period 2023-24 to 2025-26.

- ENTREPRENEURSHIP DEVELOPMENT CLUB
- FINANCE & LITERACY CLUB
- HISTORY & CULTURE CLUB
- LANGUAGE CLUB
- मराठी साहित्य क्लब

These clubs provide students with opportunities to develop practical skills, creativity, critical thinking, communication abilities, financial awareness, entrepreneurial spirit, and an appreciation of history, culture and literature. Through workshops, lectures, competitions, discussions, exhibitions, literary activities, awareness programmes and other student-oriented initiatives, the clubs encourage active participation and help students to connect classroom learning with real-life experiences.

The above clubs collectively contribute to the overall intellectual, cultural, social and skill development of students and support the college's commitment to quality education, experiential learning and the holistic development of learners.
